PANDORUM

500 millions miles from Earth
60 000 passengers have vanished

Fear the unknown
Fear the unimaginable

Fear what happens next!

It seems from the two trailers of Pandorum released so far that the ship Denis Quaid is onboard has been plagued with some Zombie-like infection. But why would some crewmen wake so late compared to others? Want to know about the mystery behind Pandorum!

The movie Pandorum is starring Dennis Quaid, Ben Foster, Antje Traue and Cung Le. It will be released on September 4, 2009.
