IT'S ALIVE! First look at NYC Fango con panels schedule

Wednesday, June 03, 2009 08:12 AM Tony Timpone New York

After a year of planning, the schedule for the East Coast edition of FANGORIA's *Weekend of Horrors* convention, which will be held this coming June 5-7 (three monstrous days!) at New York City's Jacob K. Javits Convention Center (11th Avenue between 34th and 39th Streets; use Javits' Crystal Pavilion entrance; panels and vendors' area are in Hall 1-D), is ready to be unveiled. All guests/events listed here are tentative.

More stars are *still* joining the fun at this late stage, so expect a few surprises all weekend long. Details for the jam-packed film schedule (Room ID05 in Hall 1-D), including several world premieres and more unannounced bonus guests, can be found [here](#). For more information on the *Weekend of Horrors*, including details for autograph signings, seminars, photo ops and special late-night parties, go [here](#). It's gonna be a killer!
